SIDEWALK COMMITTEE MEETING MINUTES

Held _____

MONDAY, JANUARY 9, 2006

The Village Sidewalk committee met at 7:00 PM to create a plan for the installation and repair of sidewalks. The following Council members were present:

John Carpenter, Sidewalk Chairperson, Wayne Hershberger and Brad Rice.

Also Present: Mayor Thomas Longsdorf, Clerk/Treasurer Joanne Clapp, and Street Commissioner Don Eaken.

The Sidewalk Committee discussed which area they should focus on for the year 2006 and year 2007.

Rice explained to the committee that the Village of Lodi may borrow money and the interest could be charge to the residents.

Rice recommended having Redfield Street install sidewalks because of the amount of people walking along the road.

Committee members discussed a problem with new construction and how they are required to install sidewalks. Mayor Longsdorf explained that an ordinance has been passed requiring any new development to install sidewalks along both sides of the street.

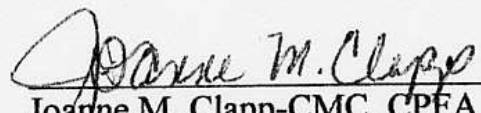

The following priorities were decided on for installation.

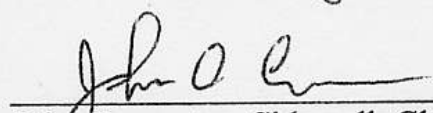

- 1) To install sidewalks along the south of Wooster Street to Discount Drug Mart.
- 2) To install sidewalks along Bank Street from Dollar General Store to Marcum Machine.
- 3) To patch and repair existing work along with installing wheel chair ramps per the recommendation of the Street Commissioner.
- 4) To install sidewalks on Redfield Street.

Carpenter inquired as to how much money was available and how can this plan be accomplished if there is not enough money in the fund. It was decided that the Sidewalk Committee will request a council transfer of \$25,000.00 from General Fund to the Sidewalk Fund.

There being no further business to be brought before the Sidewalk Committees the meeting was adjourned at 7:55 PM.
