

Committee
Safety Meeting Minutes

April 26, 2006

5:00 pm

In Attendance: Melodey Miller, Mike Hardis Pat Graham, Mary Krongdorf, Ems Chief Dave Young, Ast. Fire Chief Andy Wursten + Police Chief Steve Givard.

Ems Mileage Billing was discussed. Dave Young inquired if we can put the money collected in a special Equipment Fund? The monies collected could be used to replace monitors as well as other needed equipment.

These items can be costly.
Ex. refurbished monitor
costs 10-15,000.00 w/ 1 yr.
warranty.

I will ask the auditors
about the Equipment Fund
monies at our 6:30pm
meeting on 4/26/06.

Dave Young will contact
LifeForce for details on
billing as well as work
on incorporating a policy
for the recording of miles.

Police Chief Steward
shared a 5 yr. plan for
the Police Dept. (See attached)
In a nutshell, he met with

the officers and their top two priorities are 1.) Replacement of duty weapons. 2.) MDT computers in the cruisers.

Other items included portable radios need replaced due to being ten years old.

Also noted: In 2008, our grant runs out for our paid internet service by the Ohio Assoc. of Police Chiefs. This could mean approx. \$1800.00 annual expense added.

Additional items: Ammunition; replacement of old building; out back and Radar units.

City Chair (Meeting adjourned 6pm.) Submitted By: Melody A. Miller
